Manager frwin yesterday signed Catcher Duncan of the Torontos, and he will probably replace Aleck Smith, who refuses to come to Washington in the McGuire-McGann-Smith deal. With Kittridge in good shape and in every game, Duncan will be used only in case of an emergency. "Honest John" Kelly is touted as the latest agent of the new base ball organization. He was very close to Lange, Callahan and Donohue of the Chicagos Monday night in New York, and base ball was the chief topic of conversation. The organization of the new league means bigger wages for the players, but the men at the head are too shrewd to fall into another brotherhood trap.

A first-class catcher is everything to a ball team, but more especially to the pitch-er. In a recent game McFarland was sub-stituted in the eighth inning and the papers generally blamed him for poor work when in reality poor coaching from the catcher should be blamed. The first two batsmen he faced had two strikes called and no balls, and then his catcher signalled for a straight ball, which they hammered for triples. His speedy curve had mered for triples. His speedy curve had been missed a foot, but it was simply too good, and a straight one had to be sent

over to bring about a mix-up in delivery, according to the wisdom of that catcher. Kittridge will be a powerful help to Mc-Farland, Dineen and Miner.

SOUTHAMPTON, July 18.-There was much excitement on the Solent over the all Britannia - Shamrock race. From early morning crowds watched the preparations on board both yachts, while the whole fleet from Southampton, Cowes and other points made for Ryde. The scene at Ryde pier was most animated. What a grand success this clearance sale has been thus far. And we are told by people in close touch with some other stores that trade has been "very poor." It is, of course, a great deal of satisfaction to have our efforts meet with such success, but it is a far greater satisfaction to us to see you discriminate between this honest, legitimate clearance sale and the "excuses" which many other stores are giving you. You don't have to strain your eyes to find actual reductions here. Everything is reduced-nothing is selling at the price it brought a few weeks ago. Some things are reduced lower than others-many sorts of merchandise are being sold for much less than it cost us. It is desirable merchandise, too. Decide on Competitors. The Harvard-Yale team held its final

trials on the Queen's Club ground, Brighton, England, yesterday, to decide on the

leges in the 100-yard run and the 120-yard hurdles in the games next Saturday. Quinlan won the sprint easily, with Dupee second. The time was a shade worse than 10 1-5 seconds. Hallowell and Fincke ran a beautiful race in the hurdles, the former winning in very fast time. He will be American second string in the games.

The English hurdlers also ran through running shoe specially made for his bad

up if they wish to get anywhere near the American hammer-throwing record. The hammer of our visitors appears to have a American hammer-throwing record. The hammer of our visitors appears to have a decided advantage over our style of implement." The paper expresses disappointment at the style of D. B. Spitzer and P. Smith of Yale.
